January 29, 2014

Dear Parent(s)/Guardian(s):

The district has approved a resolution that will allow us to use the "blizzard bag" option for up to three future snow days.

The "blizzard bag" option will require students to complete assignments that are posted online by teachers. Students who do not have Internet access will receive hardcopies of the assignments upon returning to school after the snow day(s).

Students who have online access will go to the district website www.bevs.k12.oh.us and click on the appropriate school they attend. The teacher website link is on the left side of the page. After clicking on this link, a list of teachers will appear with a link to their own webpage with assignments posted.

Upon receiving the assignment, students will be required to turn in work within two weeks from the date of posting or the date they receive the hardcopy. If the work is not completed within two weeks:

- K-4 students will be required to complete work during PM recess until all work is completed.
- 5 – 12 students will be required to complete the work during after school detention and/or Saturday School until all work is completed.

The first online assignment will be ready by February 3rd to be used for three future snow days.

Sincerely,

Ted C. Downing
Superintendent
