(REVISED 4-25-13)

Dear Parents/Guardians:

Many times parents will indicate they wish they could have a listing of school supplies during the summer. Many good sales are missed by the time school starts when you usually find out “what school supplies are needed”.

What we have tried to compile on this sheet is a listing of the tentative school supplies you may wish to be watchful for in the stores during the summer. Although it may not be a totally complete list, the teachers have tried to include most all needed items. A specific classroom supply list will be given at the beginning of the school year. Supplies may need refreshed during the year!

In the purchasing of student backpack/book bags we ask that students do not use the suitcase-on-wheels style. These are too large for the student’s storage area.

**Note:** the grade level is listed for the grade level your child will be enrolled in for the **2013-2014** school year. Please put your child’s name on as many items as possible.
