

The Bridgeport Educational Assistance Foundation would appreciate your support. A donation will get you, your family and friends permanently remembered and an opportunity to show every school visitor your "Bulldog" pride.

There are over 5,000 Bridgeport High School students and alumni and we want as many people as possible to be included. This program will establish a bricked walkway at the front of the new high school to be completed this fall.

Bricks will sell for \$100 for a four by eight inch brick; \$250 for an eight by eight inch brick. The 4x8 brick will have space for three lines, eighteen characters per line and the 8x8 brick will have space for six lines, 18 characters per line.

The net proceeds from all brick sales will go to the Bridgeport Educational Assistance Foundation to fund the Bridgeport Exempted School District's reading, essay and scholarship programs. The foundation rewards deserving Bridgeport Exempted School District students with monetary rewards to further their education.

We want all our friends and classmates to join in this endeavor so PLEASE have all reunion chairs get the word out to their classmates! Encourage each individual class to get as many participants and show your school spirit .

Commemorate a special event in someone's life, honor a friend or family member and memorialize someone special.
